Docket No. CP2017-259

PUBLIC REPRESENTATIVE COMMENTS ON
POSTAL SERVICE REQUEST TO ACCEPT MODIFICATION TWO TO A GLOBAL
PLUS 3 NEGOTIATED SERVICE AGREEMENT

(August 17, 2018)

I. Introduction

The Public Representative hereby provides comments pursuant to the Commission Notice initiating this docket.¹ In that Notice, the Commission established the above referenced docket to receive comments from interested persons, including the undersigned Public Representative, on the Postal Service's Request to Accept Modification Two to a Global Plus 3 Negotiated Service Agreement.²

Pursuant to 39 U.S.C. § 3633(a), the criteria for the Commission's review in this docket are that the Postal Service's competitive prices must not result in the subsidization of competitive products by market dominant products; ensure that each competitive product will cover its attributable costs; and, ensure that all competitive products collectively contribute an appropriate share of the institutional costs of the Postal Service.

II. Comments

In Order No. 4044, the Commission found that the agreement that is the subject of this docket fell within the Global Plus 3 product, and met the above-mentioned

² Request of the United States Postal Service to Accept Modification Two to a Global Plus 3 Negotiated Service Agreement CP2017-249, August 9, 2018 (Request).

statutory requirements provided the Postal Service file a revised contract (Modification One) and an Annex showing discounts for those product(s) (Modification Two).³ The Postal Service filed Modification One on August 31, 2017, which was accepted by the Commission. The Postal Service filed Modification Two in this docket with revised financial workpapers for all products included in this GEPS 3 product.

The Public Representative has reviewed Modification Two, the revised workpapers and all pertinent files. He concludes that the revised terms and workpapers accurately calculate contract revenues and costs, and so the revised Agreement should cover its attributable costs, will not cause cost coverage for the product to fall below 100 percent, and therefore complies with the requirements of 39 U.S.C. § 3633(a). Thus, the Public Representatives approves Modification Two.

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.
